He is JONAH. Born in savage times and raised in the bloody innards of slaughtered foes. For a brief time this warrior knew love. But that moment is now gone forever...

The scars from a lifetime of savage battles have begun to mend. The rage vanquished, the appetite for carnage all but tamed because of her touch, her lamentation, HER...

3 DAYS AGO Pain tears through my body like thousands of swords piercing flesh then twisting. Muscles knotted, internal organs feel mutilated. But where am I? Someone is watching!

Get.. **GASP**...out here... **PANT**... where I can see you fiend...

Why am I here?

My name is Tiberius. Four cycles ago you slay my father. You do not remember this!

My **Blade** has spilled much blood, but never without reason or provocation. All species, all races, all creeds, all sexes and all ages... so are you to be the consequences of my sins?

You joke! I could have my creature tear your legs asunder with whip of a serpents tale speed.

18 HOURS AGO Escape... Can't think... Sleep... Starving... If I believed in a god... Revenge

Then Do It!

You're eager to die considering you have NO idea the agonizing fate your **WOMAN** currently suffers.

I WILL DINE ON YOUR SPINE AND FEED YOUR INNARDS TO THE MONGRELS. TELL ME WHERE SHE IS NOW!

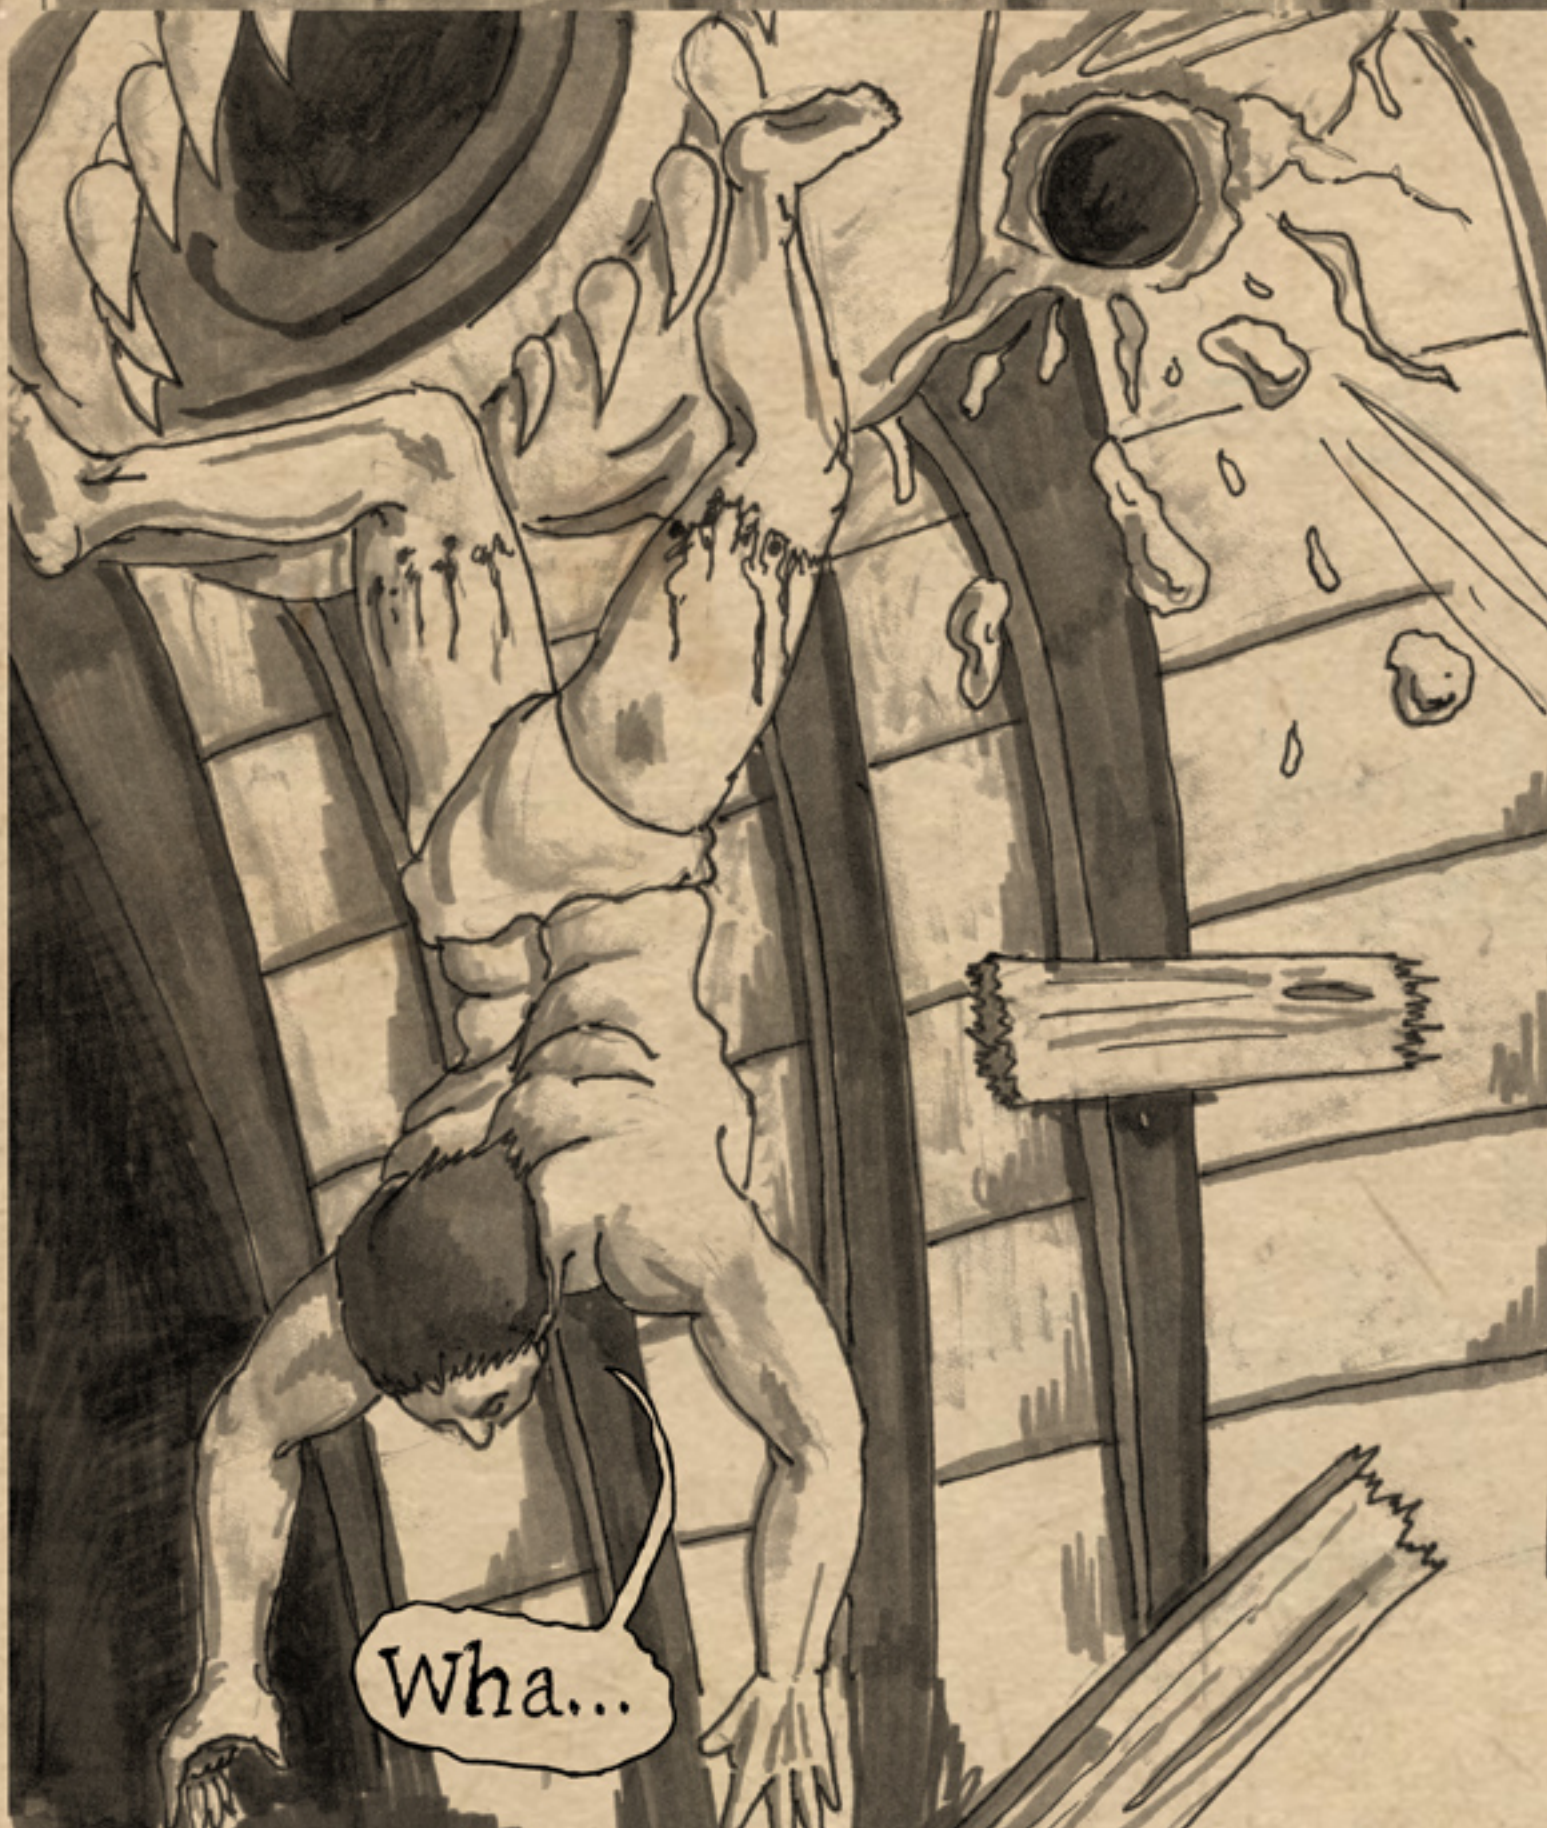

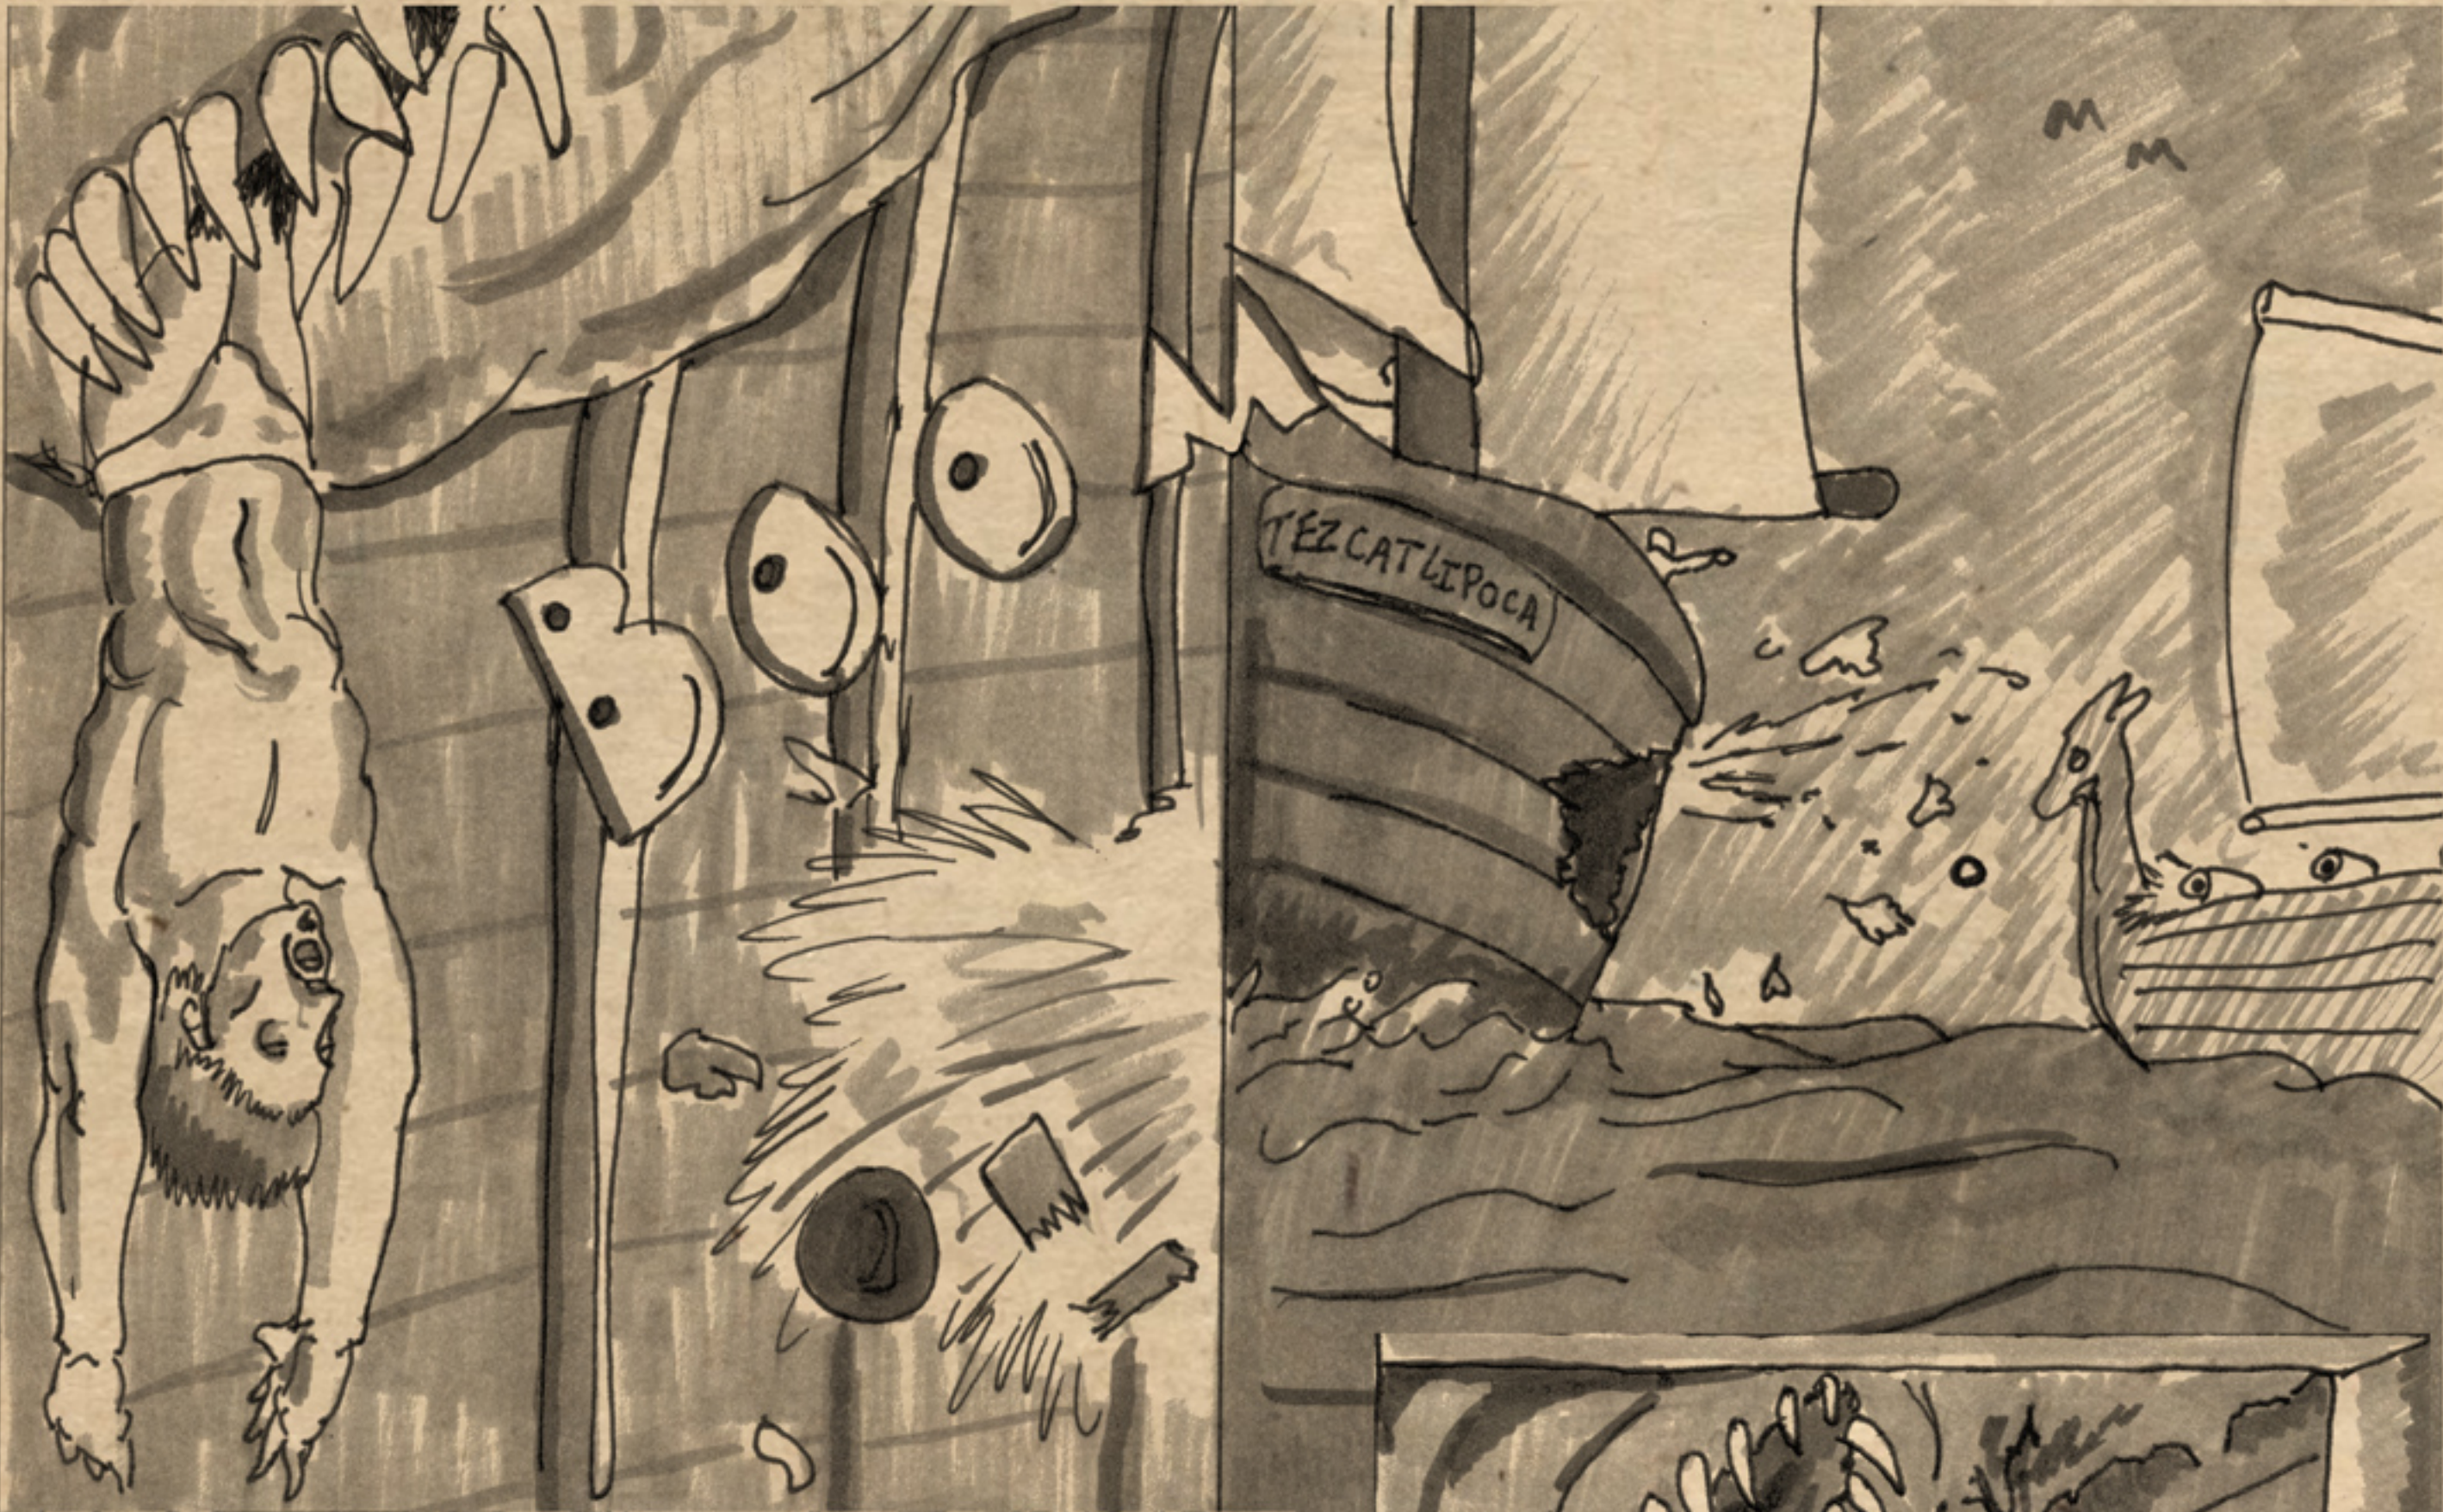

How about I leave you alone for a few days and maybe if my pet hasn't gnawed off your limbs we can talk again.

Uuggghhhh

The Guts of Vengeance are my obsession now. Revenge courses through my veins. Awakens the senses, I must...

That lecherous sorcerer's words echo "You have no idea the agonizing fate your WOMAN currently SUFFERS."
